

# Parts Washing Vendors

## Vehicle Maintenance and Repair Series

A number of companies around the United States manufacture solvent-free parts washers to suit a variety of vehicle parts degreasing applications. Provided below is a list of some of the companies with which the Montgomery County Department of Environmental Protection is familiar. Other vendors may provide similar or identical products and services. Montgomery County Department of Environmental Protection does not convey and should not be interpreted as conveying approval, endorsement, or recommendation for any of these firms or their respective products.
